

DANCE CAMP AOTEAROA

Dances of Universal Peace

7 – 13th January 2011, Hawkes Bay, New Zealand

You are invited to come and join the co-creation of heart family, experience the joy of togetherness, connectedness and the deep sense of community and intimacy that the Dances so easefully engender. Experience the richness of cultural diversity, as leaders and dancers gather together from many different countries.

Leaders anticipated from Russia, USA, Australia and of course, NZ.

As well as the Dances, features of this Camp will be: early morning Sufi Practices, Participant-led Workshops, Singing, Music, Drumming, Community Concert, Free Dance and Yoga. Children are welcome and there will be a creative, fun program offered for them.
