

# Spirit & Nature

Heart Opening Dances of Universal Peace  
Friday 13th (eve) - Sunday 15<sup>th</sup> April 2012  
Waihoanga Retreat Centre, Otaki Forks

## A celebration of Spirit & Nature with Prem, Sally and Wendy

Join us for this Autumn retreat weekend of Dances of Universal Peace, honouring Te Wairua, the spirit of Papatuanuku, our Earth Mother and Ranginui, our Sky Father, the source of all inspiration, in this most beautiful natural setting. Swimming in the beautiful Otaki River, bush walks in the rich natural beauty of the surrounding area. Journeying in the evenings with ecstatic deeper Dances & Zikr by candlelight celebrating the end of summer and filling us up for winter.

Experience dancing and community in the great cathedral of nature. This is a time of togetherness, laughter, joy, community, celebration and moving to the song of our spirit.

The Dances of Universal Peace honour the many rich and sacred traditions of Humanity with chant and movement. Enter into the joy of devotional practices as we join hands in our circle of love. Whether you have danced before or not, you will find a welcome in our circle - no dance experience is necessary, only a willing heart.....
